In 2006, American Security Products Company partnered with Transportation Logistics Management (TLM) to provide our customers with a superior freight management service. Over the years, with TLM's assistance, AMSEC has been able to significantly reduce our transportation costs, streamline all our freight processes, and significantly improve our customer service.

TLM continues, on a daily basis, to provide AMSEC with a superior level of service and dedication. We appreciate all your efforts and look forward to continuing our partnership.

Thanks again for all your assistance and support.

Sincerely,

Tim Railey
